**Winemaking Notes**

We have proven that Real Men Drink Pink with our recent releases of Molino de Viento. For the 2009 vintage we stepped it up a notch by allowing the grapes to remain in skin contact overnight to intensive aromas and giving a slightly deeper rose color. After pressing and settling the juice was fermented utilizing GRE Rhone strain yeast. The 2009 was 100% barrel fermented and further aged an additional 3 months in one year old Allier French oak barrels.

**Tasting Notes**

A deep rose / magenta color leads to expressive aromas as the wine explodes with bright strawberry, plum, cranberry, and grapefruit aromas. Flavors follow to a clean lingering strawberry finish.

Released for Valentine's Day, and wonderful accompaniment to seasonal crab, this wine is perfect for spring and summer enjoyment this wine will bring cheer to any event. A great quaffer to enjoy with friends.
