Winemaking Notes

For the 2012 vintage we allowed 100% overnight skin contact to intensify aromas and give a deeply hued rosé color. The 2012 was 100% barrel fermented utilizing specialty yeast, Steinberg, to help enhance the delicate aromas. Further ageing an additional 3 months in 100% one year old Allier French oak barrels filled in the deeper structure of the wine. Due to the bears enjoying the Syrah we only have half of our usual production.

Tasting Notes

A brilliant rose / magenta color leads to expressive aromas as the wine explodes with bright cranberry, pomegranate, and grapefruit aromas. Flavors follow to a clean and bright lingering finish.

Released for Valentine's Day, and wonderful accompaniment to seasonal crab, this wine is perfect for spring and summer enjoyment this wine will bring cheer to any event. A great quaffer to enjoy with friends.
